SAFETY POLICY

TABMAG057

It is the policy of **TABMA Workforce and Career Development Pty Ltd** to provide safe working conditions and practices for all employees throughout its operations.

This policy is to be achieved by the implementation and maintenance of this WHS&R management system which has as its aims:

1. Continuous example and direction by all levels of management to ensure that employees shall have no doubt as to the sincerity of the Company in its endeavours to eliminate accidents.
2. Elimination of unsafe working conditions and practices.
3. Employment of all practical measures to safeguard employees from injury.
4. Provision of appropriate formal and informal training programmes.
5. Application of sound engineering practices in design, installation and maintenance of equipment.
6. Maintaining effective procedures for accident reporting and investigation.
7. Education of all employees in the use of established procedures and adherence to safety rules and regulations.
8. Continuous review of safety performance and auditing of the safety programme.
9. To meet or exceed those standards contained in relevant Statutes affecting the construction industry.
